### NOTICE TO THE MARKET

**EVEN CONSTRUTORA E INCORPORADORA S.A.** (“Company”) informs its Shareholders and the market in general that, on the present date, the Company's board of directors approved the corporate reorganization of its subsidiaries Melnick Even Desenvolvimento Imobiliário S.A. (“MEDI”) and Melnick Even Incorporações e Construções S.A (“MEIC”), of which Melnick Participações S.A, a company owned by members of the Melnick family, is also a shareholder (“MPAR”), jointly and in partnership with the Company. The corporate reorganization approved by the Company involves the incorporation of MEIC by MEDI (“Merger”) and is part of the process of consolidation, reorganization and simplification of the ownership structure of the partnership and association maintained by the Company and MPAR. MEIC owns the share capital of a construction services company and special purpose entities, whose real estate projects are already concluded. Upon the Merger, such assets will be owned directly by MEDI.

As a result of the Merger, MEDI's share capital is now owned by the Company and by MPAR in the proportion of 79.44% and 20.56%, respectively. However, as a complementary step to the Merger, given that the Parties aim to re-establish and maintain their participation in MEDI at 80% for the Company and 20% for MPAR, the Company acquired from MPAR, on this date, shares of MEDI corresponding to 0.56 % of its share capital, in the total amount of R\$ 1,700,045.00 (one million, seven hundred thousand and forty-five Brazilian reais), (“Purchase and Sale”).

The Merger and the Purchase and Sale were previously submitted and approved, on the present date, by the Board of Directors in the form of the Company's corporate governance. In addition, the Merger was

also approved by the shareholders of MPAR and MEDI at extraordinary general meetings held on the present date

São Paulo, June 30th, 2020.
